Study Year	Trinity Label
1 <sup>st</sup> year	Junior Fresh (JF)
2 <sup>nd</sup> year	Senior Fresh (SF)
3 <sup>rd</sup> year	Junior Sophister (JS)
4 <sup>th</sup> year	Senior Sophister (SS)

### Junior Fresh (first) Year

**BESS** students take 60 credits in their Junior Fresh year. 50 of the credits are mandatory and split over the four subjects: 10 credits in Business, 20 credits in Economics, 10 credits in Political Science, 10 credits in Sociology. A final 10 credits are to be taken from a list of core available modules such as Law, Social Policy, Languages (Irish, French, German, Spanish, Polish, Russian) etc.

**PPES** students take 60 credits in their Junior Fresh year with all 60 credits being mandatory: 20 credits in Philosophy, 20 credits in Economics, 10 credits in Political Science, 10 credits in Sociology.

### Senior Fresh (second) Year

**BESS & PPES** Students choose 60 credits in their Senior Fresh year. Prior to entering into the Senior Fresh year, students are invited by the Academic Registry to select, and register for a Pathway of their choice from within the four Subjects available to students of **BESS** (Business, Economics, Political Science, Sociology) and **PPES** (Philosophy, Political Science, Economics, Sociology).

The pathway you choose in your Senior Fresh year is not necessarily what you will choose to exit with i.e. you get a chance to change your pathway in the Junior Sophister year, if you wish to do so. Note, however, that **if you choose to drop a subject in the second year you cannot re-select it in any subsequent year**. Changing pathways from the Senior Fresh to the Junior Sophister year is applicable to all pathways **except for the Single Honour pathway** (for which you drop all but one subject).

You can choose one of the following pathways:

- **Single Honour** (choosing 40 credits in the chosen Subject, 10 credits of Designated Optional Modules and 10 credits of Trinity Electives);
- **Major with Minor** (choosing 40 credits in Subject 1 and 20 credits in Subject 2);
- **Joint Honour** (choosing 20 credits in Subject 1, 20 credits in Subject 2, 10 credits of Designated Optional Modules, 10 credits in Trinity Electives) and, finally,
- **Three Subjects/Triple Strand** (choosing 20 credits in Subject 1, 20 credits in Subject 2, 20 credits in Subject 3).

The choice of pathway chosen in the Senior Fresh (second) year will determine the pathway choices available in the Junior Sophister (third) year.

Students are permitted to swap around their Major and Minor subjects when entering into the Junior Sophister year.

### Junior Sophister (third) Year

Students choose 60 credits in their Junior Sophister year. Prior to entering into the Junior Sophister year, students are invited by the Academic Registry to select, and register for, their final choice of pathway (**their exit pathway**).

- **Major with Minor** chosen in the Senior Fresh year, students can continue on the **Major with Minor 'A'** pathway (40 credits in Subject 1, 20 credits in Subject 2 in both JS and SS years) **or** continue on the **Major with Minor 'B'** pathway (30 credits in Subject 1, 30 credits in Subject 2, where in the SS year all 60 credits are in Subject 1) **or** transfer onto the **Single Honour** pathway in the Major Subject from the Senior Fresh year (50 credits in Subject 1, 10 credits of Designated Open Modules) **or Joint Honour** pathway (30 credits in Subject 1, 30 credits in Subject 2);
- **Joint Honour** chosen in the Senior Fresh year, students can continue on the **Joint Honour** pathway (30 credits in Subject 1, 30 credits in Subject 2) **or** transfer onto the **Major with Minor** pathway '**A**' (40 credits in Subject 1, 20 credits in Subject 2 in both JS and SS years) **or Major with Minor** pathway '**B**' (30 credits in Subject 1, 30 credits in Subject 2, in SS year 60 credits in Subject 1);
