Academic Life and Support

Support Tutor

Trinity assigns a Tutor to each full-degree undergraduate student. A Tutor is a member of the academic staff who is appointed to look after the general welfare and development of the students in his/her care. Whilst the Tutor may be one of your lecturers, the role of Tutor is quite separate from the teaching role. Tutors are a first point of contact and a source of support, both on arrival and at any time at Trinity. Their main function is to advise, listen to concerns, help you deal with issues as far as possible and refer more serious difficulties to the appropriate student services. They provide confidential help and advice on personal as well as academic issues or on anything that has an impact on your life. They will also, if necessary, support and defend your point of view in your relations with the University. You should make an appointment to meet with your Tutor during the first few weeks of the academic year. Visit the website for further information: www.tcd.ie/seniortutor

Postgraduates

The Postgraduate Advisory Service provides a confidential service for academic and personal support. You can also bring academic concerns to your course director. www.tcd.ie/seniortutor/students/postgraduate

English Language Support

Students for whom English is not their first language are eligible to complete courses in English for Academic Purposes, run by the University. Details on in-sessional and pre-sessional programmes are available here: www.tcd.ie/slscs/english

International Students with Disabilities

Students with disabilities or learning difficulties can face additional challenges studying away from home and may avail of reasonable accommodations and supports while studying at Trinity. You should contact the Disability Service at Trinity in advance with any queries you may have so you can be assisted with your plans and offered advice on the type of support available. For more information please visit the Disability Service webpage: www.tcd.ie/disability/prospective-students-/international-students. You should register with the Disability Service as soon as you arrive in Dublin. You will need to bring a copy of your disability documentation from your home university. Please note: a letter listing your exam accommodations is not sufficient. Reasonable accommodations that apply in your home country may not be applicable at Trinity.

Computer and Library Access

IT Services is responsible for the University's main computing facilities; this means they will play a big part in your University experience. Visit their website for everything you need to know to get started with IT at Trinity, including what to do next once you have registered at my.tcd.ie, how to obtain your Trinity IT username and password, where to find your course material online and how to access it, your student timetable, connecting to the college Wi-Fi, and getting support for IT: www.tcd.ie/itservices/students/orientation. Once you have received your student ID card, you will have access to the Library. Trinity's Library is the largest library in Ireland. Its collections of manuscripts and printed books have been built up since the end of the sixteenth century and its book stock is now over four million volumes. See here: www.tcd.ie/library

Erasmus Students

Each Erasmus Student is allocated a Department Erasmus Coordinator. The Department Erasmus Coordinator is a member of the academic staff who may provide advice on such matters as choosing courses, assessments and exams. They will be a source of guidance throughout your time as an Erasmus Student. The name of your Department Erasmus Coordinator will be included in your letter of acceptance. You should make an appointment to meet your Department Erasmus Coordinator as soon as possible after you arrive.

Academic Registry

The Academic Registry is Trinity's central hub for student administrative services. It can be found in the Watts Building, at the East End of the campus: www.tcd.ie/maps/map.php

Academic Registry provides a variety of important resources for students and can assist with queries on a range of services including: admissions, fees & payments, annual student registration, Study Abroad (visiting students & Erasmus) examinations, assessment, and graduation. Academic Registry will provide your student card, help visiting students enrol for classes (modules) and provide several of the documents you will need to register with the immigration bureau, apply for a Personal Public Services (PPS) number and open a bank account.

Once you have completed registration a confirmation of this will be sent to your my.tcd.ie portal. From here you can print your official Trinity Proof of Registration letter. You can request documents or get help with a query by contacting the Academic Registry Service Desk through the my.tcd.ie portal by clicking the ASK AR button or emailing academic.registry@tcd.ie

The Students' Union is a representative body with five full-time student sabbatical officers and a number of part-time officers, who look after the educational and welfare needs of Trinity's student population, as well as organising entertainment and events. The Students' Union is based in House 6 in Trinity's Front Square, where it runs an office with up-to-date accommodation and employment advice and listings. Photocopying facilities are available, and the Student Travelcard can be purchased here.

Global Room

The Global Room is a welcoming student support hub and event space on campus for all Trinity students.

The Global Room service is supported by a team of [Global Ambassadors](#). These are students trained to help students with everything from immigration and accommodation practicalities to the basics of settling into life in Dublin. The Global Room runs the New2Dublin programme on Monday evenings for several weeks at the start of term to help you settle into live in Dublin.

Located beside the Academic Registry in the Watts Building we are here to help. If you have any questions, please contact tcdglobalroom@tcd.ie

Finding Your Community

Goin' to Trinity

Goin' to Trinity is a community app to help you connect with your future classmates even before you step on campus. You can discover students with shared interests, meet peers from your home country, and connect with others enrolled in the same study programme. You will receive a link to the Goin' to Trinity app when you accept your course offer and can start meeting your Trinity community then.

Clubs and Societies

A great way to get to know people is by joining one of Trinity's 125 student societies which cover everything from the Afro-Caribbean Society to the Zoological Society. The societies meet regularly and provide an excellent opportunity to meet other students with similar interests. Among the societies are the Philosophical Society (the "Phil"), dating from 1684 and the Historical Society (the "Hist") dating from 1770. There are also many course-related societies, such as the History and the Engineering Society.

Additionally, there are almost 47 sports clubs at Trinity, so no matter what your sporting preferences are you will find a club at Trinity to suit you. Or you may like to try something new such as rugby, soccer, hockey, swimming, tennis, Gaelic games, basketball, volleyball, cricket or martial arts. You can turn up at any student society meeting and be sure of a warm welcome. While some societies are free there is usually a small joining fee, anything from €1 to €10 for the bigger sports clubs.

Full details of all the societies can be found at: www.trinitysocieties.ie and details of sports clubs can be found at www.tcd.ie/sport/student-sport. You can meet society reps and sign up in Front Square during Freshers' Week.

Sports Centre

Membership to the Sports Centre is included in your registration. All registered students with a current Trinity ID card will have full access to the state-of-the-art Sports Centre.

You will need to call to the reception desk on your first visit to activate your ID card, and then you can come and go as you please. You will have free access to the fitness theatre, which has a full range of cardiovascular and weights stations. The 25m swimming pool has an adjustable floor and disabled hoist. Also available are the 11m-high climbing wall, aerobics fitness and cycling studios, mind and body studio, changing rooms, ancillary hall for martial arts and main hall for a variety of indoor sports.

There is a nominal fee for some services such as fitness classes. Off campus there are extensive playing fields at Santry and the Trinity Boat Club has its boathouse on the River Liffey at Islandbridge.

Financial Information

Tuition Fees

The full listing of tuition fees is available here: www.tcd.ie/academicregistry/fees-and-payments

Fee Payment

You will receive an invitation to register in August, which will include fee payment. You should note that completion of fee payment does not complete the registration process. All tasks up to and including the Terms and Conditions of registration must be completed in full.

Visiting students should consult with their home institution for more information, as tuition fee structures may vary and financial aid deadlines may differ. Participants in Understanding Ireland: The Semester Start-Up Programme should also consult with their home institution and Trinity regarding payment for the programme.

TransferMate Payment Option

Trinity partners with TransferMate to allow international students to pay from their home country in their local currency. The service also provides a detailed receipt and helps the Student Finance team better track payments to student numbers than using traditional wire transfer payments.

There is no international transfer charge for using the service. This is the recommended method of payment for international students, with credit card payments as a second preference. The TransferMate receipt is accepted by visa offices as proof of payment of tuition fees: tcd.paytostudy.com

Currency

The currency in Ireland is the Euro (€).

Opening a Bank Account

You must open a bank account in person in a bank branch. You are advised to open an Irish bank account after you secure accommodation in Ireland. They may request to see your Trinity offer letter as proof of your circumstances.

Mandatory Documents to Open an Account

- Photo ID (Passport or National ID card)
- Trinity ID card*
- Proof of address: utility bill, Revenue/PPS letter, letter from Trinity Academic Registry sent to Irish address
- Other documents may be requested depending on the bank and their policy on students' country of origin.

*If opening account prior to ID card collection, bank may accept Trinity offer letter and proof of fees paid as evidence of student status.

There are normally no fees charged on student bank accounts. Ireland's most popular banks:

- AIB www.aib.ie
- Bank of Ireland www.bankofireland.com

After opening an account, you will be able to sign up for online banking and link to a home account. Please allow five working days for bank statement requests, whether made online or in a branch. If you will be under 18 at the time of opening your bank account, you will need a guardian to accompany you to open a bank account. For further information, please contact the Global Room at tcdglobalroom@tcd.ie. For postgraduates and visiting students securing private accommodation, most letting agents and landlords will accept cash or bank draft (which you can obtain with a foreign debit card or cash in an Irish bank) for the first month's rent and security deposit as long as you set up direct debit from an Irish account as soon as possible after opening your new bank account.

Bringing Money to Ireland

Please bring only a small amount in Euro for your arrival. The University does not have any facilities to keep cash safe for you. You should enquire with your bank at home if you can use your debit or credit card in Ireland, as this could be a safe way to obtain cash immediately after your arrival. Once you have opened a bank account in Dublin, money can be transferred by electronic / wire transfer into your new account. Before you leave home, talk to your local bank to find out all the details about making transfers to your account in Ireland (e.g. maximum amount, how long it takes, how much it costs) so that you can plan the best system for your circumstances. International Visa/ Debit cards often require proof of photo ID. Travellers' cheques are not widely accepted in Ireland.

Health and Insurance

Trinity recommends that you have a level of insurance to cover your health needs and requirements for the duration of your studies. For example, if you have a pre-existing condition, please check the level of insurance cover in any new policy to ensure that it will cover this.

Irish Life Health: www.irishlifehealth.ie

VHI Healthcare: www.vhi.ie

Laya Healthcare: www.layahealthcare.ie

Study and Protect: www.studyandprotect.com

Irish Life Health

Trinity has a specific insurance scheme arrangement with Irish Life that is designed for international students with discounted plans on offer, and which covers pre-existing conditions and the normal waiting period for cover is waived. The cost of a policy varies based on the plan chosen and age of the applicant.

Applicants can enrol directly onto the Trinity scheme by [clicking here](#) and choosing one of the 3 specially discounted plans on offer. If one of the 3 listed plans are not suitable, you can call Irish Life on **+353 (01) 562 5100** to discuss the most suitable plan and if you do this, please ensure that your quote scheme number 20932.

EU Students

Students from EU states should apply for a European Health Insurance Card (EHIC) in their home country before departure.

It is very important that you have adequate insurance before coming to Dublin. Please bring your European Health Insurance Card (EHIC) with you. This card is available through the Health Board in your home country. Please see the EHIC website for information on how to get the card in your country: ec.europa.eu/social/main.jsp?catId=559.

Subsidised Health Services

Non-EU students who will be resident in Ireland for a minimum of one academic year may apply to the Health Service Executive to be assessed for entitlements to public hospital treatment under the same conditions as an Irish citizen. Non-EU students staying less than one academic year do not have any entitlement to free or subsidised health services. www.hse.ie

Trinity Health Service

All full-time registered students are eligible to use the Trinity Health Service throughout the year. The service offers on-campus primary health and psychiatric care. To arrange an appointment, either drop into reception or ring the office. As well as the free general practice (including sports medicine) and nurse-run clinics, there are specialised clinics in physiotherapy, psychiatry, travel health, sexual health, eating disorders and minor surgery.

For emergency visits, the Trinity Health Service sees patients on a first-come, first-served basis in the mornings beginning at 9:30 and after lunch, beginning at 14:00. There are often queues for these emergency clinics, so students hoping to speak to a physician are advised to arrive early.

Students can also attend DUBDOC, an out-of-hours emergency general practitioner service in St. James's Hospital, James's Street, Dublin 8 between 18:00 and 22:00 weekdays and 10:00 to 18:00 weekends and bank holidays. There is an attendance fee of €60. Consultations are strictly by appointment; however telephone advice from the triage nurse is free of charge. DUBDOC can be reached on +353 (0)1 454 5607/453 8006. www.stjames.ie/services

Outside these hours, please telephone the Contactors Medical Bureau at +353 (0)1 830 0244. They will send a doctor on request. Students, with the exception of medical cardholders or EU students with European health cards, are responsible for any fees incurred for home visits. See also page 13 Student Disability Service.

Groceries

It is best to go to the big supermarkets like Dunnes Stores, Tesco, Supervalu, Aldi and Lidl. The closest supermarkets to Trinity's campus are Dunnes Stores in the St. Stephen's Green Shopping Centre at the top of Grafton Street, Marks & Spencer on Grafton Street, Tesco on Upper Baggot Street, Tesco on Fleet Street in Temple Bar, Lidl on Moore Street and Aldi on Parnell Square.

Shopping

For household items like bed linen and crockery, Penneys on Henry Street and Dunnes Stores in the St. Stephen's Green Shopping Centre have excellent inexpensive ranges. In addition, student-favourite IKEA is located to the north of the city. It is serviced by the 140 bus. The shops in and around Grafton Street offer a range of clothing and housewares at a wide array of price points.

Bookstores: Hodges Figgis, 56-58 Dawson Street, have textbooks available on the top floor; Easons, 40 Lower O'Connell Street, is a large chain bookstore.

Pharmacies: Lombard Pharmacy on Pearse Street offers a 15% discount for students, Boots and Hickey's Pharmacies on Grafton Street, Prices Medical Hall on Clare Street and Trinity Pharmacy on Westland Row.

Mobile Phones

Most international students buy a mobile phone for use in Ireland, with the most popular option being the “prepay” phone, also known as “top up” or “pay as you go”. Instead of getting a monthly bill, you top up your credit as needed.

With the pre-pay option, you buy a phone and get a certain amount of free credit with it. Once your credit has run out, you can top up your credit a number of ways, including through an ATM, buying it in a newsagent or supermarket, or online.

There are three major phone service providers:

- Vodafone: www.vodafone.ie
- Eir: www.eir.ie/mobile
- 3: www.three.ie

All of the major mobile providers have retail locations on Grafton Street, just south of Trinity's main gates. It is also possible to obtain an Irish SIM card for use in your existing mobile phone, but you should check with your current provider for details.

If you are phoning a landline in Dublin from your mobile, you should put 01 (Dublin's area code) before the telephone number. If you are phoning a landline elsewhere in Ireland from your mobile, there will be a different area code for each county. The international dialling code for Ireland is +353.

Student Travelcard

For discounted travel within Ireland, you will need to get a Student Travelcard, also known as a Student Leap Card, the National Student Travel and Discount Card. This is the only card accepted by Irish Rail, Dublin Bus, Bus Eireann and LUAS (tram) for student fares. It is also a discount card for hundreds of goods and services nationwide. The Student Travelcard is accepted as authentic proof of student status, allowing you to book a student flight to anywhere in the world.

The application form will be available in the Students' Union in House 6. Further information can be found at: about.leapcard.ie/about/tfi-leap-card-types/student

Public Transport in Dublin

Leap Card

The Leap Card is a reusable plastic smartcard that can be used instead of paper tickets to pay for transport in Dublin. You can top up your leap card in most newsagents, and at Dart and Luas stations. For further information on the Leap Card and where to get one please see: www.leapcard.ie

Dublin Bus

Dublin has an extensive bus route network. You can reclaim your change at a later stage by handing in your receipts to the Dublin Bus Head Office in O'Connell Street. Students can buy 'rambler' tickets from the Students' Union (SU) shop that allows you to buy a ticket in advance for a set amount of days.
